Influenza Vaccine Mandatory Reporting

Nursing and Health Professions Students/Staff

Beginning January 1, 2013, the Centers for Medicare and Medicaid Services (CMS) have mandated that hospitals report summary data on influenza vaccination of healthcare personnel (HCP) for the influenza season. The required HCP includes all students and faculty 18 years of age or greater.

Please submit this letter with documentation from your Health Care Provider that influenza vaccination was given. Please note to have your vaccine given in accordance to the flu season. (Fall semester) August-October 2022
(Spring semester) August-2022-January-2023
